

Founder Tax Issues

My colleague Susan Schalla and I have been making videos for Nick Hughes' Founders Live Group, which are followed by AMA chat sessions.

In this video, we talk about tax issues for founders, primarily:

1. The 83(b) election -- when it applies; when it doesn't; when it is due; etc.
2. Qualified Small Business Stock considerations in choosing what type of business entity to form.

We hope you enjoy the video.
